**MOTION
OF THE CONSUMER PROTECTION AND ENFORCEMENT DIVISION
FOR LEAVE TO FILE ITS COMPLIANCE FILING UNDER SEAL;
[PROPOSED] ORDER**

The Consumer Protection and Enforcement Division (“CPED”) submits the following motion pursuant to Rule 11.4 of the California Public Utilities Commission’s (“Commission”) Rules of Practice and Procedure for leave to file its Compliance Filing in the above captioned proceeding under seal.

Resolution ALJ-299 requires, in an appeal of a CPED citation, that CPED submit a Compliance Filing that includes the complete citation and any supporting documents. CPED’s Compliance Filing for citation FC-834, which is the subject of the current appeal proceeding, includes a case summary and multiple supporting documents. The case summary includes the appellant’s driver’s license number, as well as the driver’s license number of several of his employees. Additionally, several of the supporting documents attached to the case summary display the appellant’s home address, while waybills display the name, home address, home telephone numbers, and credit card numbers of some of appellant’s clients. All of this information should be kept confidential in order to protect the privacy of appellant, his employees, and his customers.

CPED thus moves to file its Compliance Filing under seal. A public version of CPED’s Compliance Filing with the above identified confidential information redacted

will be filed and served on the service list in this proceeding. CPED also requests that the Commission adopt its Proposed Order.

Respectfully submitted,
